

The Association of Natural Burial Grounds

We are aware that you have recently been bereaved and therefore understand that you may not wish to complete a feedback form, but if you feel able to do so, we would really appreciate it.

The burial ground that you chose is a member of The Association of Natural Burial Grounds, run by The Natural Death Centre Charity* and abides by our Code of Conduct.

One requirement is that each family has the chance to give their feedback about the experience, using this comments form, which is sent directly to the NDC.

From the many thousands of forms we have received in the past, we have been able to monitor standards and improve best practice at natural burial sites of all kind across the UK. (All feedback is shared with the burial ground concerned).

Every feedback form received is also used to help choose the winners of our annual People's Awards for the best Natural Burial Grounds in the UK.

If you feel able to share your thoughts and feelings about the burial, you will be helping us to ensure that other families receive the best possible service in the future. We particularly like to receive more detailed, personal perspectives, so if you would like to send us a full account of the funeral along with this comments form, we would be delighted to receive it.

We also welcome any donation you might like to make to help us continue our work:

*The Natural Death Centre is a non-profit charity that seeks to inform, empower and inspire the public in all matters relating to death and dying, and in particular to increase awareness of funeral choices outside of the mainstream.

Our work is only possible with the generous support of people like you; we rely on gifts and legacies to do our work. If you are able to make a tax-deductible donation to us, it will help ensure we can help the next family who call on us.

GIFT AID

Please sign this gift aid form If you are a UK taxpayer and wish to send us a donation. Using Gift Aid means that we get an extra 25% from the Inland Revenue, helping any donations go further.

This means, for example, that £20 can be turned into £25, just by filling out the form below, at no additional cost to you.

If you have any questions about **Gift Aid**, please contact us and we will be happy to help.
Thank you for your kind support.
